REPORT OF THE COUNCIL

The Council has the pleasure of presenting the report together with the financial statements for the year ended 31st December, 2022 which disclose the sources, utilization and balances of cash for Lufwanyama Town Council during the period under review.

Background and Location of the Council

Lufwanyama District is on the Copperbelt Province of Zambia sharing borders with eight (8) other districts being, Kalulushi, Kitwe, Masaiti, Mpongwe, Luanshya, Kasempa, Chingola and Solwezi. The district provides a direct connection to towns in the North-Western Province including Kasempa, Kabompo, Zambezi and Chavuma through the Kalengwa-M18 road. The major source of income of the local people is mainly from small scale farming, fishing and mining.

Lufwanyama is found in the western part of the Copperbelt Province. It lies between latitudes 13°44' and 12°20' south of the Equator. Longitudinally, it lies between 26°10' East.

The administrative centre lies in the protected forest area of the Lamba Headwaters Block-A, along the Kalengwa-M18 road, 580 Kilometres (Km) from Lusaka, the capital city of Zambia, 137 Km from Ndola, the Provincial Headquarter, 65 Km west of Kitwe, 55 Km west of Kalulushi and 2 Km east of the Lufwanyama River Bridge.

Lufwanyama is the largest districts on the Copperbelt Province, covering an area of 7880 Km) of the provincial total area of 31,328 Km². It accounts for 31.4 percent of the provincial landmass.

The District has three (3) main rivers namely the Luswishi, Katembula and Lufwanyama rivers, which are tributaries of the Kafue river, which forms the boundary between Lufwanyama and the eastern and South-eastern District in the province. These rivers receive water from the numerous perennial streams, which form an extensive network of rich water resources the district is endowed with. These include the Kabundia, Sokontwe, Luela, Kansoka, Lumwana, Mubende, Mitwe, Chapula, Kasho, Kafubu and Funda.

STATEMENT OF RESPONSIBILITIES FOR ANNUAL FINANCIAL STATEMENTS

The Lufwanyama Town Council is responsible for preparing the financial statements for the year ended 31st December, 2022 which are free from material misstatement, whether due to fraud or error, and are prepared, in all material respects, in accordance with the Cash Basis International Public Sector Accounting Standard (IPSAS). In preparing the financial statements, the Council selected applicable policies from Local Authorities Accounting Policies (LAAPs) of October 2020, and then applied them consistently, making judgment and estimates that were reasonable and prudent.

The Council is also responsible for the maintenance of adequate accounting records and the preparation and integrity of the annual financial statements and related information. The Auditor General has audited the financial statements and his report is shown on pages 7 to 9.

The Council accepts responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable estimates, in conformity with the Cash Basis IPSAS, the requirements of Cap 281 of the Laws of Zambia, the Public Finance Management Act No.1 of 2018 and Local Authorities Accounting Policies (LAAPs) of 2018.

The Council further accepts responsibility:

- for the maintenance of accounting records that may be relied upon in the preparation of financial statements,
- For designing, implementing and maintaining systems of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Nothing has come to the attention of the Council to indicate that the Lufwanyama Town Council will not remain a going concern for at least twelve months from the date of this statement.

In the opinion of the Council, proper books of accounts were maintained to support preparation of Financial Statements that present fairly the financial results of the Town Council for the financial year ended 31st December 2022

Report on the Audit of the Financial Statements of Lufwanyama Town Council

Opinion

I have audited the financial statements of the Lufwanyama Town Council for the financial year ended 31st December, 2022 which comprise the Statement of Cash Receipts and Payments, the Statement of Comparison of Budget and Actual Amounts, Statement of Cash Receipts and Payments for Local Government Equalization Fund and the Statement of Cash Receipts and Payments for Constituency Development Fund (CDF) and a summary of significant accounting policies and other explanatory information on pages 10 to 41.

In my opinion, the accompanying financial statements of Lufwanyama Town Council present fairly, in all material respects, its cash receipts and payments and balances for the year ended 31st December, 2022 in accordance with the Cash Basis International Public Sector Accounting Standard (IPSAS) and the Local Authorities Accounting Policies (LAAPs).

Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of Lufwanyama Town Council in accordance with the International Organisation of Supreme Audit Institutions (INTOSAI) Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Zambia, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the INTOSAI Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

REPUBLIC OF ZAMBIA
OFFICE OF THE AUDITOR GENERAL

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of the Preparation of the Financial Statements

The Financial Statements have been prepared in accordance with Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*, issued by the International Public Sector Accounting Standards Board (IPSASB) and Local Authorities Accounting Policies (LAAPs).

These financial statements have been prepared in accordance with the historical cost convention as the basis of measurement, unless specified otherwise.

The accounting policies have been applied consistently throughout the period.

1.1 Migration to Accrual Basis Financial Reporting

Lufwanyama Town Council is required, under the Local Government Act No. 2 of 2019 to produce a Statement of Comprehensive Income and a Statement of Financial Position. The production of these statements entails adoption and application of Accrual Basis of Accounting in financial reporting. However, the Act does not specify which particular accrual basis of accounting to use. In applying Cash Basis of Accounting, the Council followed guidance listed below:

- (a) Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*.
This standard provides that public sector entities adopting Accrual Basis for the first time may apply Cash Basis IPSAS provisions as an intermediate step to assist them in the transition to Accrual Basis IPSASs. In this vein, the Council has produced these financial statements under Cash Basis IPSAS as part of its transition to Accrual Basis of Accounting.
- (b) Accounting Pronouncement: 2018/3 – Applicability of International Public Sector Accounting Standards (IPSASs).
This pronouncement issued by the Zambia Institute of Chartered Accountants (ZICA) pursuant to the Accountants Act, 2008 requires the adoption of Accrual Basis of Accounting by public entities by 31st December, 2022. The Local Authority is preparing to adopt Accrual Basis IPSASs on 1st January, 2025.
- (c) Treasury and Financial Management Circular No. 10 of 2019 issued by the Secretary to the Treasury pursuant to the Public Financial Management Act, No. 1 of 2018. The Treasury and Financial Management Circular provides as follows:
 - i. That in order to have a standard financial reporting framework, all Local Authorities should adopt the International Public Sector Accounting Standards (IPSASs) Cash Basis of Accounting as a first step in migration to IPSASs Accrual Basis of Accounting.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- ii. Local Authorities shall use Part 2 of Cash Basis IPSAS which requires extra disclosures called 'Encouraged Additional Disclosures' in Cash Basis financial statements for the years ending 31st December 2022 up to 2024.
- iii. All Local Authorities shall adopt and apply Accrual Basis IPSAS of Accounting starting 1st January 2025 by following the guidelines provided in IPSAS 33 – "First Time Adoption of Accrual Basis IPSASs".
- iv. That the three (3) year transition period provided under IPSAS 33 should commence on 1st January, 2022 and should end on 31st December, 2024. Thereafter, all Local Authorities shall be required to comply fully with Accrual Basis IPSASs.

Based on these guidelines, the Council has not yet commenced production of Accrual Basis financial statements required by the Local Government Act, 2020. However, the Council has adopted Part 2 Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting* to help it transition its financial reporting to Accrual Basis IPSASs.

1.2 Reporting Entity

The Financial Statements are prepared for Lufwanyama Town Council (LTC). The financial statements encompass the Council as specified in the Constitution of Zambia (Amendment) Act No. 2 of 2016, the Local Government Act No.2 of 2020, and the Public Finance Management Act No.1 of 2018. It also includes projects and activities of the Constituency Development Fund and the Local Government Equalisation Fund in the district.

1.3 Authorisation Date

The financial statements were authorized for issue onby the ordinary/special council meeting.

1.4 Revenue

Revenue is recognised when cash is received. It is generated from various sources as explained below:

a. Local Taxes

Article 161 of the Constitution of Zambia (Amendment) Act, 2016 authorizes Lufwanyama Town Council as a Local Authority to levy, impose, recover and retain local taxes. Further, the Local Government Act, 1991 Cap 281 section 69(1) prescribes a system of local taxes by empowering Local Authorities to make by-laws imposing all or any of the following levies:

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A levy on leviable persons carrying on a business, trade or occupation within the area of the council.
- A levy on the purchase or sale of a commodity within the area of the District. This includes levies on sale of livestock, grain and poles.

a. Fees or Charges

Section 70 (1) of the Local Government Act, 1991 as amended by Act 19 of 1992 empowers Local Authorities to impose fees or charges payable to the Council:

- For any licence or permit issued under any by-law or regulation made under the Act. These may include health permits, fire certificate licences, burial permits and extension of business hours permits.
- For any service or facility provided or goods or documents supplied by the Council in pursuance of or in connection with the discharge of any function of the Council. These may include survey fees, consent fees, building inspection fees, waste collection fees and parking fees.

1.5 Expenditure

Expenditure is recognized when payment is made for expenses incurred. The Council incurs expenditure relating to the discharge of its functions which includes expenses relating to personal emoluments, use of goods and services, social benefits and acquisition of non-financial assets.

Items of a capital nature are expensed at the time of payment and such transactions are depicted in the appropriate class and heading in the financial statements. Since capital expenditure is expensed when incurred, neither depreciation nor amortization is charged on non-current assets.

1.6 Reporting on Gross Basis

Transactions are reported on gross basis without netting off similar classes of receipts and payments. However, transactions may be reported on net basis when they relate to transactions the Council administers on behalf of other entities recognised in the Financial Statements.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.7 Cash at the Beginning and End of the Year

Cash at the beginning and end of the year consist of cash on hand, demand deposits and cash equivalents held at such dates.

Cash on hand refers to notes and coins held by the Council at the reporting date and it includes petty cash and cash collections not yet deposited into bank accounts. Demand deposits consist of reconciled balances held in the Council's bank accounts which it can use on demand. Cash equivalents, on the other hand, refer to short term high liquid investments that can easily be converted to known amounts of cash and are subject to insignificant risk of change in values.

The Council recognises all short-term high liquid investments having maturities of three months or less as cash equivalents.

1.8 Local Government Equalization Fund

Article 163(2) of the Constitution of Zambia (Amendment) Act No. 2 of 2016 provides that Parliament shall annually appropriate monies to the Local Government Equalisation Fund which shall be disbursed by the Ministry responsible for finance to Local Authorities.

Receipts under LGEF supplement revenue generated by the Council. The Council uses at least 20% of the funds received from the equalization fund, in any financial year, to finance capital expenditure and the balance to meet operational expenses.

1.9 Constituency Development Fund

The Constituency Development Fund (CDF) was established under Article 162(1) of the Constitution of Zambia (Amendment) Act No. 2 of 2016. The fund was set up to finance micro-community projects for poverty reduction in communities and it is financed by monies appropriated by Parliament.

The administration of CDF is guided by Guidelines on the Management and Utilisation of Constituency Development Fund of 2016. The Council maintains separate bank accounts for each constituency. Transfers are made from CDF into constituency bank accounts from which payments are made to finance approved CDF projects.

1.10 Other Grants

These include grants in lieu of rates and support from Cooperating Partners. Grants in lieu of rates are paid by the Government to the Council to cover property rates of Government properties in the district. Support from Cooperating Partners may consist of cash receipts under bilateral and multilateral agreements.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.11 Presentation Currency

The presentation currency is Zambian Kwacha.

1.12 Foreign Currencies

Transactions in other currencies are converted into Zambian Kwacha using the ruling Bank exchange rates at the time of payment. Balances expressed in foreign currencies at the year-end are translated into Kwacha at the ruling rate then. The resulting difference from the conversion and translation are charged to the Statement of Cash Receipts and Payments.

1.13 Borrowings

Borrowings comprise actual cash inflows received from financial institutions, bilateral and multilateral institutions. The Council did not borrow during the period under review.

1.14 Budgets and Actual Amounts

A final budget includes all adjustments (supplementary and re-allocations) made to the original approved budget during the year. Supplementary budgets consist of additional provisions beyond what was originally approved while re-allocations are approved budget variations.

The approved budget is developed on the same accounting and classification basis, and for the same period as for the financial statements. All material differences between final budgets and actual amounts are explained in the notes to the annual financial statements. Budget differences of 20% and above are considered material.
