EDITORIAL COMMENT

We believe in the power of collaboration and compassion to create positive change in the district. In this month's newsletter, we have highlighted the inspiring projects and achievements that have been made in the district, which will help the people of different wards in Lufwanyama.

The many projects in the district should make the community have a sense of ownership as they are for the betterment of their lives and as such resident should protect the infrastructure in their communities.

As a council, we understand the importance of supporting the community, we encourage our community in Lufwanyama to

walk to the council for any help regarding CDF and also engage with your WDCs and Councils in your various wards.

As a Council we are committed to making a difference in the district through our vision and mission to bring development to the district.

Assistant PR Officer.

Hon. Kenny Siachisumo,
Lufwanyama Member of Parliament

LUFYWANYAMA MP's MESSAGE

As your Area Member of Parliament for Lufwanyama I continue to work with the great people of the district to bring development.

Over the past year 2024, working together with the council, the district has seen great development through infrastructure development such as schools, health posts and housing units to provide accommodation for workers in the district.

I thank the Lufwanyama Town Council for the continued implementation of projects to improve the face of the district through CDF, that the hard work and dedication has not been left unnoticed.

I'm delighted to inform the great people of Lufwanyama of the commitment government has in development, which has seen the increase of CDF next year 2025 to 36.1 million.

With the continued increase of CDF

and the commitment of my Government together with the council, we will endeavour to foster development in the district and ensure we develop the town, as we are in a hurry to ensure and see to it that the constituency lives up to its rich land and wealth to benefits all the people of Lufwanyama.

I therefore wish to inform the people of the district that development has come to our district and as such, everyone should take part in the national cake.

LUFYWANYAMA TOWN COUNCIL CHAIRPERSON

H.W Annie Kapandula– Kalamatila
Lufwanyama Council Chairperson

MESSAGE FROM THE COUNCIL CHAIRPERSON

As we continue to upgrade our District with hard work and dedication, as your Council Chairperson for the great town of Lufwanyama.

It is with great honour that together with our cooperate partners we continue to put the interests of the district first.

Being a District that is rich with fertile land for farming and mineral wealth, puts the district on the map for much more development than it has, it is with great expectations that we want the district to live up to the riches it has through infrastructure and social development.

As a council we have spent about k13,318,123.25 on community projects, k1,380,000.0 on empowerment grants, k2,515,000.0 on loans and k2,778,453.11 on bursaries and skills for 2024.

We believe as the Council that Lufwanyama can be greater than it is, and must achieve the standard worth of a developed district as it has all it needs to be a greater District.

On the road network infrastructure, as the council we have procured earth moving equipment for road rehabilitation, we have so far we have graded feeder roads such as St. Joseph-Chapula

road in Chibangaward, Kapilamikwa and Kabilobilo in Lufwanyama ward.

However, in future we look forward for our roads to be tarred to bituminous standard, because grading alone can prove as a waste of resources, due to the impact of the rains from time to time.

We therefore call on every well meaning citizen of Lufwanyama to work towards the development of the District, for our future generation as we should not remain rich only on paper, but it should translate into tangible results from our hard work.

Lynda F. Mapara
Lufwanyama Town Council Secretary

“Accelerating Development Efforts Towards The Vision 2030 Without Leaving Anyone behind” [Vision 2030]

COUNCIL SECRETARY’S NOTE

Understanding that development is a process which involves working together, with all well meaning people of the great town of Lufwanyama, one aspect that stands out is to ensure that we foster development together.

As Council Secretary, I want to assure the people of Lufwanyama that development of the district is paramount to the

councils leadership team. We are actively working to foster and thrive beyond expectations through Constituency Development Fund, The Equalisation Fund and Locally Generated Revenue . This is highlighted through Our Vision :

To improve the quality of lives for the people of Lufwanyama through the provision of high Quality efficient and sustainable Public Service in a transparent

and accountable manner with active stakeholder participation. Which we continue to uphold.

As we embark on this journey of changing the face of Lufwanyama , let us continue to embrace change, challenging ourselves, driving innovation as our core for success, I am confident that with our passion and dedication , our district will continue to flourish.

HAKAINDE HICHILEMA OFFICIATES AT THE KATANINO TRADITIONAL CEREMONY

HH SPEAKS ON LEADERSHIP

His Excellency President Hakainde Hichilema thanked the chiefs on the Copperbelt province for the support shown at this year's Katanino traditional ceremony of the lamba lima people of Masaiti district on the Copperbelt.

Speaking during the ceremony as guest of honor, the president called for need to avoid

Succession wrangles as they take away development in areas with succession issues, he further called for unite among the traditional leadership if development was to be attained in the province.

The president further stated that as chiefs, their Leadership roles should include helping people in drought and

farming issues, as the Government will this year provide agriculture inputs for chiefs to show leadership in agriculture.

Mean while, Minister of Local Government Garry Nkombo has called on the people of Copperbelt province to ensure that the Ward Development Committees are fully utilized through the decentralization policy, which has made development easy through CDF.

Mr Nkombo said that the decentralization policy has shown the importance of sub structures such as WDCs, where power and authority has been given to the people from the central government to develop the district.

Mr. Nkombo said his ministry will support all sanitation and water projects

sponsored to rapidly especially they water facilities to mitigate shortage of water in areas that have been drastically hit by the climate change situation in the country.

MIBILA IN NEW DEVELOPMENT FROM CDFL

District Commissioner Justin Mwalikwa has commissioned a project in Mibila under the Copperbelt Development Foundation Limited (CDFL)

District Commissioner who was guest of honour commended

CDFL for the project stating that it will go a long way in the district, as it will supplement government efforts in developing Lufwanyama.

Speaking earlier during the commissioning of the project Acting Council Secretary who is also District Health Director Dr. Joel Muntanga thanked CDFL for the

facility which will also motivate the healthcare providers.

Further, Council Chairperson Annie Kapandula called on other stakeholders to emulate CDFL as the project under Mibila is not the first project being undertaken in the district.

CASH FOR WORK LAUNCHED IN LUFWANYAMA

Lufwanyama Town Council in collaboration with the District Commissioner's office has launched the Cash for Work (CFW) programme a Government initiative in response to the drought experienced in 2023/2024 farming season.

Speaking during the launch of the (CFW), Lufwanyama member of Parliament Kenny Siachisumo, has called on WDCs and Councillors to work together during this initiative as the guidelines are clear of what the role of the WDCs are, and that of the Councillors respectively.

Mr Siachisumu added that the Cash for

Work programme is yet another initiative by the government to help those affected by the drought in all affected constituencies.

And Guest of honor District Commissioner Justin Mwalikwa, stated that the Cash for Work (CFW) Programme aims to provide temporal relief to drought-affected communities and urban areas impacted by food price increases and job losses. This will be done by offering cash in exchange for labor, the programme empowers individuals to improve immediate access to food, thereby alleviating vulnerable communities and supporting their well-being during this challenging

time by Stimulating economic activity at community level.

Mr. Mwalikwa added that the programme demonstrates a proactive approach in addressing the consequences of drought and economic hardship, by supporting individuals and communities in need, the Government is helping to mitigate the effects of these challenges and promote self reliance.

The Cash for Work (CFW) programme is specifically designed to reach vulnerable households in areas not already covered by existing social cash transfer programs (SCT and ECT).

LUFWANYAMA WATER RETICULATION COMING SOON

Minister of Water Development and Sanitation Eng. Collins Nzovu has today visited Lufwanyama District on a mission to assess the water challenges in the district.

Nkana water intends to put up a water reticulation system in the central business district of Lufwanyama from the Katembula dam which will supply safe, clean water to the residents.

Speaking when the minister paid a courtesy call on Chieftainess Shimukunami, the Chieftainess has called on the utility company to expedite the works so that the people can have safe drinking water in the face of the drought. She further

called for the increased number of boreholes to be sunk and maintenance to be done on broken boreholes in the district.

And Council Chairperson Annie Kapandula has attested to the water shortage in the district, which is a call for works to be done on time, she has emphasized the need to ensure the project is done properly as there is an urgent need for water.

District Commissioner Justin Mwalikwa, said that the water needs in Lufwanyama can not be overemphasized as it is already evident from the drought that the district is facing which has affected

the access to clean and safe drinking water.

However Minister of water Development and Sanitation Eng. Collins Nzovu had assured the Chieftainess and the people of Lufwanyama, of the commitment by government to put up the water reticulation in the district to help alleviate the basic needs of water.

He added that through Nkana water, the government will ensure works are expedited looking at the current situation, Eng Nzovu added that delay in the implementation of works will not be welcome.

LOAN AND GRANT SENSITIZATION

LUFWANYAMA TOWN COUNCIL CONDUCTS LOAN AND GRANT BENEFICIARIES SENSITIZATION.

Lufwanyama Town Council conducted a sensitization meeting with the first beneficiaries of 46 Grants and 23 Loan disbursed with a total sum of K 3,895,000.00, under 2024 CDF funding, on entrepreneur skills in order to use the grants and loans prudently.

Speaking during the meeting, the Council Secretary Lynda Mapara called on the beneficiaries to ensure that they use the funds as intended in their proposals and applications. She also encouraged the

beneficiaries getting Loans to start paying in the next sixty days as prescribe in the CDF guidelines.

She has further discouraged the beneficiaries from sharing the money as the Council and other Stakeholder will be monitoring the projects that the groups applied for, she also added that loans are intended to be a revolving fund which should be paid to allow more people to benefit.

The Social Economic Planner, Vincent Lungu has called on the beneficiaries to write to the Council in a special case where the beneficiaries intend to change the project to ensure accountability of the funds.

Mr Lungu has stated that; any misappropriation of funds is an offence which is punishable by law, and which ever group will be found wanting will be dealt with accordingly.

SKILLS DEVELOPMENT AT KATEMBULA YOUTH RESOURCE CENTRE USING CDF

Skills development at Katembula Youth Resources Centre. The institution not only has students from the district but from all the districts in the country.

- 1 Tailoring and design skills requires a high degree of meticulous exactitude which are important skills in all areas of fashion design.
- 2 Standing out as a bricklayer requires more than just technical proficiency.
- 3 New pig farmers should focus on learning and improving their skills through resources like books, online forums, and networking with experienced farmers.
- 4 A metal fabricator needs a range of technical skills to excel in their job.

KATEMBULA GRADUTION CEREMONY

Over 600 students graduate from Katembula Youth Resource Center from various programs sponsored by the Constituency Development Fund in Lufwanyama District at which 677 students graduated from the center. The occasion was graced by the Minister of Youth, Sports and Art, Hon. Elvis Nkandu as guest of honor.

The students who graduated were also awarded with some start up packages relevant to their programs among which were tailoring machines, brick laying and carpentry tools, farming inputs etc.

Speaking during the graduation, Katembula Resource Center Advisory Chairperson James Mwanza informed the guest of honor that, the center had seen over 10,700 students graduate from the center since its inception.

Mr Mwanza added that CDF through the council had made it possible for the center to increase number of enrollments from as low as 10 to over 200 enrollments every year, which had been necessitated by the increase in CDF grant allocation by the Government.

And Lufwanyama Town Council Chairperson Annie Kapandula called on youths in the district to utilize the opportunity under CDF to enroll and acquire various skills to change their lives. she added that the programs are fully paid for by Government through CDF and youths should step up and seize the opportunity.

In addition, Lufwanyama Member of

Parliament Kenny Siachisomu thanked H.E the President of the Republic of Zambia Mr Hakainde Hichilema, for increasing the Constituency Development Fund (CDF) as it has made it possible for the increased numbers of students graduating from Katembula Youth Resource Center.

Meanwhile, District Commissioner Justin Mwalikwa also shared the same sentiments on the increased CDF thanking the president for the move.

Guest honor and Minister of Youth

Sports and Arts Elvis Nkandu also called on the graduates to exhibit the at most use of the skills they had acquired from the center, he added that the graduates should endeavor to be employers in their programs as it is the wish of government to empower many people through (CDF).

He had further called on the Mines in the district to help the government through the corporate social responsibility to rehabilitate Katembula Youth Resource Center.

LUFWANYAMA DISTRICT HOSPITAL RECEIVES A DONATION FROM SDA

Lufwanyama District Commissioner Justin Mwalikwa received donations of assorted goods from the Seventh Day Adventist Church on behalf of Lufwanyama District Hospital. This was a programme by the church to supplement government efforts in helping the institution.

Speaking during the handover ceremony, Pastor Chabala Mabyaki, Copperbelt Zambia Conference (SDA) Director Per-

sonal Ministries, stated that the church had plans to give more to the hospital, but was hindered by the current drought situation in the country, as most farmers did not have good yield during the 2023-2024 harvest season.

He however, said that the church did not lose hope as they managed to source from the little that they harvested and stored to give to the hospital.

And District Commissioner Justin Mwalikwa had thanked the church for the great gesture which was shown by the church, he called on other faith-based organizations to emulate the Seventh Day Adventist Church.

Meanwhile, District Health Director Dr. Joel Muntanga thanked the church for remembering the hospital as the items donated would go a long way in helping the hospital.

8. Pay beneficiaries for certified works through mobile money platforms

LUFWANYAMA HOLDS INDEPENDENCE TOURNAMENT

Lufwanyama Town Council held its first ever independence tournament play offs for all the 20 wards in the district, this was in line with the National Sports Policy.

The purpose of the National Sports Policy was to provide a practical framework for sports development in Zambia. It was a plan and statement of intent that offers guidance and advice on how to accomplish the development objectives, goals, and priorities in order to raise the profile of sports in all parts of the country.

The policy was re-launched on the

13th September 2024 and aimed to create sustainable, inclusive and robust sporting environment that maximizes the potential of every citizen to achieve the 2030 sustainable development goals, which recognizes the role of sport in achieving the Sustainable Development Goals (SDGs).

As a result, local authorities will now be responsible for establishing multi-purpose sports facilities, identifying and nurturing talent, registering sports associations, enforcing regulations, and implementing the National Sports Policy at district level.

With this said, Lufwanyama is hold-

ing the District tournament which was kicked off early this month with the Semi-finals held today 19th October 2024 and finals being held tomorrow 20th October 2024 respectively.

The tournament has seen Katembula ward and Chibanga ward qualify to the finals to be played tomorrow while Kafubu ward and Bulaya ward will square it out for the third and fourth positions on the same day.

The final games will be officiated by Lufwanyama member of Parliament Kenny Siachisomu at Shimukunami Combined School ground.

CHIBANGA WARD WINS THE INDEPENDENCE TOURNAMENT

Chibanga ward has emerged as the winner of the first ever independence soccer tournament held in the district under line with the national sports policy.

The funds were disbursed by the ministry of youth and sports which has been funded by Government.

The runners up was Katembula while Kafubu ward scooped third prize with Bulaya ward coming fourth in the tournament whose Semi-finals was played on 19th October, 2024.

Speaking during the opening ceremony, Lufwanyama Town Council secretary Lynda Mapara called on oneness during

the tournament and encouraged the players to make sports as part of their every day life for the good of their well-being.

Ms Mapara added that the soccer tournament being held would help in talent identification in the district which would encourage many youths to participate and hoped that a player from Lufwanyama would play on the national team one day.

And District Commissioner Justin Mwalikwa emphasized the need to continue with community sports in the district.

Meanwhile, guest of honor Lufwanyama

Member of Parliament Kenny Siachisumu, thanked all the wards for participating in the tournament which showed commitment to community sport, he further thanked the players for exhibiting the highest level of discipline during the games.

Meanwhile, Bulaya ward (fourth position) walked away with a set of Jerseys and a ball. Third position Kafubu walked away with a ball, a set of Jerseys and K1,500. Second position was Katembula ward who walked away with a ball, a set of jerseys and K2500.

The winning ward Chibanga walked away with a ball, a set of jerseys and K5000.

CDF MONITORING AND LOAN RECOVERY

LOAN MONITORING

Lufwanyama Town Council through the department of planning conducted the loan monitoring and recovery exercise in the district, this was to ensure that all those that got loans under CDF where paying back to the bank.

Being a revolving fund, it is important for all the loan beneficiaries to pay back the monthly payment as agreed with the bank to ensure other people benefit from CDF under the loan component.
