- xii. MEASURES TO ENHANCE REVENUE MOBILISATION
- xiii. 2026 PROPOSED PROJECTS

Every Local Authority is required to prepare its Annual Estimates of Income and Expenditure which is basically a financial plan of how the Council shall operate in a particular financial year.

This process requires an input from all the stakeholders of the Local Authority since the council does not operate in isolation.

1. SOURCES OF REVENUE

- 1.1. LOCAL REVENUE:** This is Revenue that is realized from Local taxes and fees and charges that are levied on local people.

Examples of local revenue included the following;

- Rates
- Levies
- Licences
- Fees and Charges

2. NATIONAL SUPPORT

This is income that is received from government to help run operations of the institution. Examples of National support included the following;

- Constituency Development Fund (CDF)
- Local Government Equalisation Fund (LGEF)
- Other Grants (Grants from devolved functions)
