Director Finance informed the house that in 2024 the Local authority managed to achieve the following from the projects that were proposed in 2023.

1. Procurement of Water Bowser.
2. Construction of phase-1 fire station.
3. Creation of feeder roads in newly created plots.
4. Purchase of the Gradder under CDF.
5. Disaster projects executed and others work is in progress.

CHALLENGES FACED DURING THE YEAR 2024

The facilitator informed the house that even though the Local authority managed to implement five projects that were proposed by the community, the following challenges were faced:

- Government's delayment in disbursing CDF consequently resulting in delay in implementation.
- Government's delayment in disbursing the devolution support grant consequently resulting in delay in implementation.
- The ministry guided that we budgeted for 10 million for the component of grant in lieu of rates, but at a later stage, it was guided that government could not fund us that amount therefore affecting the operations of the council. Hence leading to adjustment of the budget downwards by the mentioned amount. This meant that all projects that were budgeted in the amount were to be suspended.

PLENARY

- Ward development Chairperson for Sokontwe raised a concern why the Local Authority delayed in completing of the CDF 2023 projects.

In response, the Director of Finance informed the house that there was a delayment in the disbursement of and hence once the funds are received all the pending projects they will be completed.

- Further, the stakeholders expressed concern regarding CDF Loan recoveries.

In response the Director of Finance inform the stakeholders that the local authority is facing challenges to recover the loans and the beneficiaries will be engaged to hear the challenges are facing and the way forward.

Presentation of the 2025 Projections of Revenue and Expenditure

Thereafter, the Council Treasurer proceeded with the presentation of the 2025 budget. In his presentation, he informed the house that every Local Authority is required to prepare its Annual Estimates of Income and Expenditure, which is basically a financial plan of how the Council shall operate in a particular financial year. This process requires an input from all the stakeholders of the Local Authority since the council does not operate in isolation. He also presented on the sources of revenue.

SOURCES OF REVENUE

- ❖ **LOCAL REVENUE:** This is Revenue that is realized from Local taxes and fees and charges that are levied on local people. Examples of local revenue include the following;
 - ❖ Rates
 - ❖ Levies
 - ❖ License
 - ❖ Fees and Charge

Proposed projects for 2025

The Socio-economic Planner informed the members present that a number of applications were received from the community. However, resources were limited hence projects to be implemented in the FY 2025 would include:

1. Procurement of Earth moving equipment
2. Rehabilitation of Fungulwe feeder road
3. Construction of Classroom Blocks
4. Procurement of desks
5. Construction of Milulu Health Post
6. Drilling of commercial borehole Mukutuma Rural Health Centre
7. Procurement of medical equipment

Plenary

Members of the house welcomed the consideration of procuring more desks, construct of classroom blocks, health post and medical equipment. However, the Local Authority was urged to buying a borehole drilling rig machine, because the water shortage was the greatest challenge the District was facing.

In response, the Socio-economic planner indicated that the observation by the members was correct. However, resources were limited to execute all the projects at once. Hence, the proposal would be considered in the next budget.

Closing Remarks

The Council treasurer thanked everyone for attending the meeting and further paid accolade to members of the committee for their overwhelming support rendered to management in the year 2025, He encouraged members of the committee to exert more efforts in ensuring that the projects in the wards are submitted to the council for inclusion in the 2025 budget and to ensure that all projects were implemented in their wards.

Closing prayer

The meetings was closed in a word of prayer by Mr Christopher Kanyanta at 13:00 hrs.
