LUFWANYAMA TOWN COUNCIL LEADERSHIP

Hon. Kenny Siachisumo,
Lufwanyama Member of Parliament

As your Area Member of Parliament for Lufwanyama I am delighted to inform the great people of Lufwanyama of the commitment I have for the development of our district.

With the continued increase of CDF and the commitment of my office together with the council, we will endeavour to foster development in the district and ensure we develop the city, as we are in a hurry to foster development and see to it that the constituency development fund benefits all the people of Lufwanyama.

In line with President Hakainde Hichilema and the vision of the United Party for National Development (UPND) which is to bring development down to the people, by making you the people of the district choose what you want from the money allocation of CDF, I see to it that that goal is achieved.

I wish to register to you that the goal for decentralization is being achieved as seen from what has been achieved in the district from the time in office.

And also wish to state that I will continue to ensure the District and the people of Lufwanyama come first.

H.W Annie Kapandula– Kalamatila
Lufwanyama Council Chairperson

As we continue to upgrade our District with hard work and dedication, as your Council Chairperson for the great city of Lufwanyama. It is with great honour that together with our cooperate partners we continue to put the interests of the district first.

Being a District that is rich with fertile land for farming and mineral wealth, which puts the district on the map for much more development than it has, it is with great expectations that I want the district to live up to the riches it has through infrastructure and social development.

We believe as the Council that Lufwanyama can be greater than it is, and must achieve the standard worth of a developed district as it has all it needs to be a great District.

I therefore call on every well meaning citizen of Lufwanyama to work for the development of the District, for our future generation as we should not remain rich only on paper, but let the rich land of Lufwanyama show from our hard work.

LUFWANYAMA TOWN COUNCIL SECRETARY

LYNDA F. MAPARA
LUFWANYAMA TOWN COUNCIL SECRETARY

As we continue to promote and develop our District, through faith and hard work for a more sustainable and value based district, we as Lufwanyama Town Council will endeavour to save our people in the district, in line with our core mission, **to improve the quality of lives for the people of Lufwanyama through the provision of high Quality efficient and sustainable Public Service in a transparent and accountable manner with active stakeholder participation.** Which we continue to uphold.

As your Council Secretary I will go above and beyond to develop the district. It is for this reason that we thought it necessary to create a platform, not only to interact but to also assure the community of Lufwanyama is kept up to date with the happenings in the district by the council.

We as the District Council therefore commit our service to the development of our district by updating this site with news, information, plans and reports for the attention of the public

**“Accelerating Development Efforts Towards
The Vision 2030 Without Leaving Anyone behind”
[Vision 2030]**

LUFWANYAMA TOWN COUNCIL

WELCOME TO LUFWANYAMA TOWN COUNCIL

Lufwanyama Town Council is one council which has strived to ensure the district attains the much needed development for the people of the district. The council, through the constituency development fund CDF has ensured that people from far and near within the district benefit from the k25.7 million kwacha.

With the increased funds of CDF, it has been the coal responsibility of the council to see to it that funds from the council are properly utilized and ensure the prime purpose of the money is the end goal.

The District is one that has seen much development through the hard work of the team at the council since the district was declared a District in 1997 as compared to other districts.

The council is working to ensure the development of the district, in line with the mandate of government through decentralisation and devolution of government.

AS OF DECEMBER 2022 THE COUNCIL GAVE LOANS TO 33 COOPERATIVES AND YOUTH CLUBS UNDER THE WOMEN AND YOUTH EMPOWERMENT FOR CDF.

YOUTHS AT KATEMBULA SKILLS CENTER UNDER CDF SKILLS TRAINING PROGRAM UNDER THE CDF SKILLS DEVELOPMENT PROGRAM

Lufwanyama Town Council paid for 137 students under 2022 CDF, this number has since increased with the increase in the CDF allocation introduced by government. Which has seen tremendous response from the community with the number of people applying under various categories of CDF.

Lufwanyama Town Council Remains ready and able to ensure the money reaches the intended beneficiaries .

The Council continues to work with the community and ensure the growth and development of the people is attained through community engagements in areas that are for the benefit of the community.

Following a concern by the public over the growing number of children patronising drinking places in the district, the Council through the health department conducted a sensitization program in schools to teach children about the dangers of alcohol abuse, in partnership with the Police.

HEALTH SENSITIZATION WITH BAR OWNERS

Lufwanyama Town Council Health Department conducting a joint sensitization with Police at Katembula market

With the growing number of under age drinking in the district which has been coupled with the lack of recreation facilities in the district, bar owners in the district remain the key in ensuring they health both themselves and the police to avoid finding themselves on the wrong side of the law.

Both the council through the health department and police, continue to outline the risk of having under age children in there premises for whatever reason, as it is against the liquor licensing Act.

The Bar owners have been encouraged to act according to the laws established to avoid being closed down if found wanting.

OUR GOAL AS A COUNCIL

As a Council, our vision is to ensure that equitable and sustainable development is delivered to all parts of the District, in line with the Governments desire of not leaving anyone behind . Together with other cooperating companies, the district has to work hand in head to develop the district.

Lufwanyama District being the home of the emerald mines in the country, it is important to see to it that much is done to attract local investment as the District still struggles with the challenge of accommodation for different departments in the district the local authority inclusive.

This challenge has forced many working in the District to live in the nearby district of Kalulushi, Kitwe and Luanshya respectively.

Process from application to approval of a Project/Grant or Bursary

Applicant from the community fills in the forms and gets all requirements. Submits to WDCs

WDCs review the applications and recommend to the CDFC

CDFC reviews the applications from various wards. CDFC recommends and Submits lists to Town Clerk for submission to the Ministry

Council receives the list and submits it to the Ministry of Local Government and Rural Development for approval

Ministry scrutinises the applications to approve or not
